

**2010 Proposal**

The aim of the Mix 106.3 Special Children’s Christmas Party is to provide in excess of 1,600 children with a day they will never forget. The children come from four major groups: The terminally ill, the intellectually impaired, physically impaired and also the underprivileged who may be suffering from domestic violence or physical abuse. Children arrive from all over ACT and surrounding districts. This will be the biggest party of its kind in the region and is an annual event with this year’s party our 14<sup>th</sup> Anniversary!

We are presenting to you an opportunity to be regarded, within the community, as a caring organisation that recognises the need to share Christmas joy to those that are more often overlooked or ignored. The joy that you can bring into the lives of so many is treasured for many weeks and sometimes months after this day of celebration.

Please feel free to browse the various levels of support and payment options.
